Dear Don:

This is just a short note to reaffirm our invitation to any YBC members who would wish to come down and broadcast over WBS. I'm hoping that the enthusiasm exhibited in March has not died down and that enough members will come down to put on a good five to six hours worth on some Saturday. As of now, either Saturday, April 27, or May 4th would be the best. If you definitely cannot come on either of those dates, then we could manage May 11th, but our exams, as I'm sure yours are too, are rather close thereafter. The students would enjoy some Yale entertainment I'm sure and it might show them that radio can be worth listening to! If you could let me know as soon as possible, it would be helpful.

Another concern of mine is a letter I wrote to the Yale News in protest to the article covering our visit. Although, we never expected a raving article, I feel, as the letter showed, that they were definitely unfair and misrepresented us to a point of absurdity. I was wondering if you might check with their editor and ask if he received my letter, and, if so, to please reply promptly. I would really appreciate it.

We hope to see you and your representatives in the Wellesley territory soon.

Sincerely,

Ann H. Medina
